

4. COMMUNITY BASED SOCIAL HEALTH INSURANCE PROGRAMME (CBSHIP)

This health plan is crafted to suit those in the informal sector who are self employed. The enrolment is strictly on household basis which makes it accessible to every citizen through their ward Health Organisations (wHO). The contributions are actuarially determined and made affordable to the community.

5. THE VOLUNTARY CONTRIBUTOR'S SOCIAL HEALTH INSURANCE PROGRAMME (VCSHIP)

was recently introduced as a variety of NHIS Programmes. This is available on NHIS website www.nhis.gov.ng.

6. RETAIL HEALTH INSURANCE SCHEME - (RHIS)

This health plan is designed for individuals who may want to access health care directly without going through corporate organisations or employers. All bureaucracy and bottlenecks that hinder participation have been removed. The procedure is as follows:

Visit our website-www.premiermedicaid.com.ng

Click on RHIS - Download and fill form RHIS - Check and pick your benefit package and provider hospital. - Pay the standard premium for 1 year (or at least three months) (Acc. **GTB 0029558279** or **Access Bank 0027437548**) - Paste your passport size photograph (s) on the form - Send both teller & form to nearest office of Premier Medicaid- Your card will be delivered to your residential address- **Access to health care will start as soon as your name appears on your Provider's panel list.**

As you manage your business,
we
manage your health,
the health insurance way.

Premier Medicaid...Moving the Health of the Nation Forward

Premier Medicaid (Nigeria) Ltd. Health Maintenance Organisation (HMO)

Registered with

National Health Insurance Scheme (NHIS)

HEALTH INSURANCE PROGRAMMES OF PREMIER MEDICAID (HMO)

1. PUBLIC SECTOR SOCIAL HEALTH INSURANCE SCHEME

The scheme is currently being run by Federal Government, while the State and Local Government are expected to come on board. The employer pays 10% while the employee (enrollee) pays 5% of the basic salary.

The standard benefit package is as follows:-

- Out-patient care, including necessary consumables
- Prescribed drugs, pharmaceutical care and diagnostic tests as contained in National Essential Drugs List And Diagnostic Test Lists.
- Maternity care and delivery.
- Preventive care, including immunization, as it applies in the National Programme on Immunisation, health education, family planning, antenatal and post natal care for up to six weeks.
- Consultation with specialists, such as physicians, pediatricians, obstetricians, gynecologist, general surgeons, radiologists, psychiatrists, Ophthalmologist, physiotherapist, etc.

- Hospital care in a standard ward for a stay limited to cumulative 15 days per year. Thereafter, the beneficiary pays per diem for bed space for a total of 15 days Cumulative per year.
- Eye examination and care, excluding the provision of spectacles and contact lenses.
- A range of prostheses (limited to Artificial limbs produced in Nigeria); and
- Preventive dental care and pain relief (including consultation, dental health education, amalgam filling and simple extraction)

2. PRIVATE HEALTH INSURANCE SCHEME (PHIS)

This is a corporate health plan for the organised private sector. The company can choose various benefit packages for different categories of staff i.e. Silver, Gold, Platinum and Diamond. For specific premium and benefit package, see PMI website. For any company to join the scheme, contact any of our registered offices nationwide.

3. TERTIARY INSTITUTION SOCIAL HEALTH INSURANCE PROGRAMME (TISHIP)

This health plan is meant for students especially those in the tertiary institution (TISHIP) above 18 years of age. The contributions are made collectively through the institution. The providers are paid their capitation in accordance with the benefit package selected (SILVER, GOLD AND PLATINUM).
